From popped collars to Top Siders, prep style endures. *True Prep* shows a new generation how it's done and what it means.

Sequins

Shiny, sparkly sequins become a major fashion trend when Zoe Kravitz and runway models are spotted wearing them on hats, dresses and tops.

Hats

Self-expression is always in fashion and the right hat makes it easy to add panache (and hide a bad hair day). All you need is a cute fedora or a jaunty newsboy cap.

Military Jacket

There's nothing olive drab about this trend. Military jackets are snappy, sleek and chic — a far cry from the oversized Army surplus look of yesteryear.

Energy Drinks

Energy drinks are the beverage of choice among sleep-deprived students, despite concerns that they contain unhealthy levels of sugar and caffeine.

Pillow Pets

Now it's a stuffed animal. And now it's a pillow. Puffy, popular PillowPets™ may be the snuggliest, softest trend of the year.

Dentists report that more and more teens are asking about teeth bleaching procedures, especially for photo-op occasions like proms or sweet sixteen parties.

Long, flowing scarves become a year-round trend. This must-have accessory is the easiest way to add color and interest to casual outfits.

Monkey Slippers

It's a toy. It's a slipper. It's a fun fashion trend. Sock monkey slippers are popular in college dorms and at slumber parties.

Long Necklaces

Long, statement necklaces are trend-right. Gossip girls look luxe with Tiffany-style trinkets. Layered, chunky, vintage baubles create an alt-rock, art school vibe.

Over the Knee Boots

Boots go to great lengths. Over-the-knee styles are seen everywhere from runways to red carpets. Trendsetters wear them with short skirts or slim leggings.

The Plymouth High Schools Present

Sweet Charity

A Musical Comedy

Book by Neil Simon
Music by Cy Colman
Lyrics by Dorothy Fields

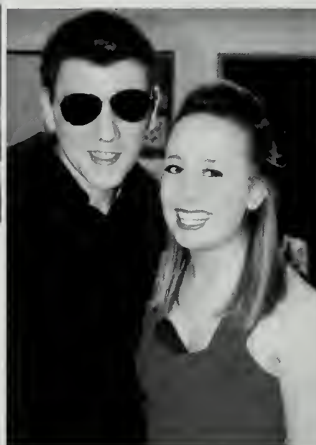

February 11 & 12
PNHS Auditorium
8pm

The crew that holds it all together.

Looking good with every hair in place.

Working hard or
hardly working

Even the guys
wear make-up!

Can even smile with moustache in place.

Plymouth South
meets
Plymouth North

Mr. Raymond - "The Piano Man"

All smiles
Our make-up is ready
for the stage

Ms. Roderick
tightening up
Morgan's curls

Director Manley models proper
table cloth placement

Crew and cast can be
friends, too!

Tom casting the last stitch.

Casey catching
up on her
studies

"Draw the
curtains, Holly"

In deep, serious
thoughts, huh?

Ms. Holmes runs
sound checks

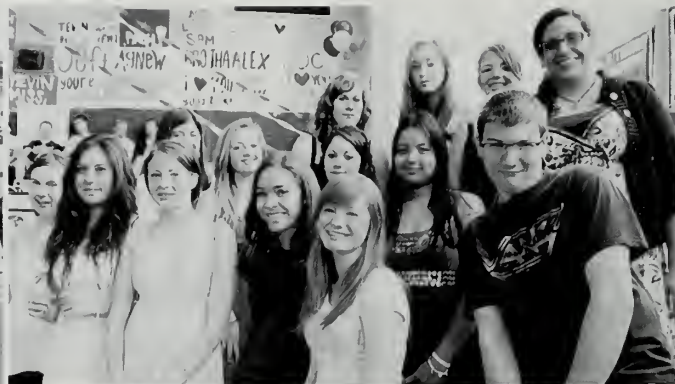

Lights!
Camera!
Action!

Best Friends taking
advantage of
some 'down time'

Just roaming from Richmond Playground to Mountain Lake. Maybe spot an alligator. Waiting in the fog for #1 or #38 or looking for the GoGo Bridge. Be the town crier of Mother Goose and the nurse at Star. It's off to America's hometown where the bus stops right in front of your house. A big journey with a big smile to match it. As you take the next step, we're with you all the way!

Love always, Mom & Dad

Lauren,

As you stepped out that very first day of school, full of anticipation, fears, excitement, wonder and joy... tears come to my eyes, my heart fills with pride and love. For you my darling daughter, made this journey of the past 12 years so rewarding for me and your family. My social world and circle changed, and so much for the better... attending, participating and just watching you with much admiration in all that you were involved in and gave of yourself.

You worked hard and contributed a lot; to your school, to your teachers, to your teams, to your committees and classmates, to your many friends, to life. I have always preached "May your todays influence your tomorrows", "Let actions speak louder than words" and "Charity starts at home". I know you will never forget these sayings, words of advice, as you journey on to your next chapter of life... full of anticipation, fears, excitement, wonder and joy. And yes, tears come to my eyes again, I'm just so proud of you, the person you have become, the young girl grown to such a love and wonderful young woman. I'm so lucky to have you my darling daughter, and I know great achievements and much success will always be part of your future.

Thank-you so much for being a good brother. Thanks for all the times you have given me rides places, fun times in the house, and letting me hang out with your friends. Thank you for moving on now I do not have to share a room with Brett. I do not have to listen to Mom yelling at you. I will miss you and I hope that you have a great future with college and in life.

Love Justin

Dear Daniel

Thank-you for being the best big brother ever. It is going to be less quiet because I will not have to listen to Mom yell at you anymore. It has been amazing 13 years with you. I will miss you. I wish you a good four years in college.

 Though I won't be with you for every stop along the way,
 The ride of your life continues on.
 The places you will go have no limit.

 Wherever you end up in life,
 make sure it was worth the journey.
 And make a few pit-stops home along the way!

Dear Nicholas,
 It is so hard to put into words how we feel about this point in your life. We are amazed and so very proud of how well you have done and all that you have accomplished. You will go far in life and be successful if you continue upon the path you are on. We wish for only good things to come to you, and we will be right here waiting to share in your joys. It is difficult to think of you going off to college and not always being right here, but hopefully, we will always be as close as we are now. Good luck, stay safe and keep close. You have no idea how much we will miss you and how much we all love you.... there are not enough words for that. Love always, Mom & Dad xoxo

A huge "Thank You" to the Plymouth North Senior Class of 2011 for making a difference in the local fight against hunger. Your early efforts in 2007 to team together with all the coaches, fellow players, the PN Booster Club and the entire Plymouth North student population and their families made a huge impact on our local community. Your legacy will move on with students for years to come.

Your impact will be felt beyond your graduation day....

CONGRATULATIONS JOHN !

I have so many wishes for you.
I want you to be safe, smart, cautious,
and wise beyond your years.
Come to me with your fears.
Get your feet wet with new experiences,
but never get in over your head.
Realize how capable you are!
Your possibilities are unlimited.
You are loved beyond all time.
So many treasures await you in your
journey through life, and being blessed
with you has been mine.

Douglas Pagels

Dear John,

Daddy always used to say: " We need to kill him before he grows!".
I on the other hand used to say this is our child from God and it's our job to raise him,
teach him morals and values and some day we'll be able to say we've taught him to
become a fine young man. That time has come and Dad would be very proud of you, too.
I could never thank you enough for always being there for me and our family. Now hurry
up or you're going to miss the bus.

My very best of wishes always -

I love you oodles of bunches !
Mom

John

We hope your dreams take you
to the corners of your smiles,
to the highest of your hopes,
to the windows of your
opportunities, and to the most
special places your heart has
ever known.

Love,

It seems like yesterday we brought you home from the hospital, placed you on the couch and stared at you because we didn't know what to do next. Wow, that was probably our only quiet moment of the last eighteen years. Your homeruns and strike-outs, your goals and penalties, your smiles and tears... all your accomplishments. We are so grateful for every minute of the past eighteen years. Be proud of yourself, we are! Mom and Dad

You have become the young man we had hoped and wanted you to be. We could not be more proud of you. You have made many sacrifices to chase your dreams and become the person that you are. Over the years you have brought so much joy into our lives. All the wins and losses were awesome to watch, however after the games when it was just the family, those are the times we will cherish forever. Always lead, never follow and remember to become the person you want to be. We all love and support you. Congratulations!

Reanie, Beans, Neaner. We have so many good memories and jokes between us. Thank you for being my doll when we were little (hence the boy haircut) and even though we have our differences (your Barry White voice, while mine's more like "The Nanny's" and you have rhythm, while I most certainly do not) you're the best little sister I could've asked for. And while our names for each other are rather unique, I'm most proud to call you my little sis. Love ya A. Kayla

"Excellence doesn't just happen, it's a decision you make everyday." As a graduating member of the class of 2011, your decision-making to date has rewarded you with a high school diploma; a milestone on the path of endless possibilities that lie before you. Under NORTH's new leadership team, you have demonstrated the ability to manage change, also a life-long skill that regardless of your next steps in life, will always prove beneficial. Remember in life, often times, "You can't change the wind, but you can always adjust your sails."

NORTH's mission: "Is to challenge students to reach their full academic and personal potential, to become life-long learners, and to contribute to society as thoughtful, informed citizens who accept responsibility for their actions. Working with the parents and the community, we strive to create a safe, personalized, and supportive environment that fosters tolerance and respect and to prepare students for the challenges of higher education and careers." As Principal, I have witnessed exemplary academic projects that compete at the local, state and national level, outstanding individual and team athletic performances, moving visual and performing arts performances, works of compassion and generosity throughout both our school and our extended school community that have touched the very core of humanitarianism. As a member of NORTH, unequivocally as a unit, the commitment to "BLEED BLUE" is paramount.

As you leave NORTH to take on the next venues of your life, remember you will always be welcomed back. Upon your departure, I encourage you to give back to the world that which NORTH has given to you. Teach, coach, raise the level of someone else's reading, writing, thinking, civic, and social status; make this world a better place because of your efforts in doing so. Use what you have learned to do good things, while moving this country and, ultimately the world, forward.
